

THE KAANAPALI BEACH HOTEL . . . is
nestled on the beach at Kaanapali, Maui.
Beautiful resort area of Kaanapali is only
three miles from historic Lahaina, early
day capital of the Hawaiian Islands.

Hi!

We look out of our
room right at the ocean.
I haven't been in
swimming yet but hope to try it before we
go home. Hani played
Golf twice and plan on
playing again today.

Love,

Stella & Harold
